VOICE RECOGNITION

QUICK TIPS
INTRODUCING UCONNECT®

Start using Uconnect® Voice Recognition with this helpful at-a-glance guide. It provides the key Voice Commands and tips you need to know to control your Uconnect 8.4A or 8.4AN systems.

If you see the icon on your touchscreen, you have the Uconnect® 8.4AN system. If not, you have a Uconnect 8.4A system.
GET STARTED

1. Visit UconnectPhone.com to check mobile device and feature compatibility and to find phone pairing instructions.

2. Reduce background noise. Wind and passenger conversations are examples of noise that may impact recognition.

3. Speak clearly at a normal pace and volume while facing straight ahead. The microphone is positioned on the rearview mirror and aimed at the driver.

4. Each time you give a Voice Command, you must first press either the VR or Phone button, wait until after the beep, then say your Voice Command.

5. You can interrupt the help message or system prompts by pressing the VR or Phone button and saying a Voice Command from current category.

Three buttons are all you need to control your Uconnect® system with your voice.

- Press to initiate or to answer a phone call, send or receive a text.
- Press to begin radio, media, navigation, apps and climate functions.
- Press to end call.
**BASIC VOICE COMMANDS**

The basic Voice Commands below can be given at any point while using your Uconnect® system.

Press the VR button 📈. After the beep, say...

- **Cancel** to stop a current voice session
- **Help** to hear a list of suggested Voice Commands
- **Repeat** to listen to the system prompts again

Notice the visual cues that inform you of your voice recognition system’s status. Cues appear above the radio icon on the touchscreen.
**RADIO**

Press the VR button 📡. After the beep, say...

Tune to ninety-five-point-five FM
Tune to Satellite Channel Hits 1

**TIP**

At any time, if you are not sure of what to say or want to learn a Voice Command, press the VR button and say “Help.” The system will provide you with a list of commands.

**VOICE RECOGNITION QUICK TIPS**

Use your voice to quickly get to the AM, FM or SiriusXM Satellite Radio®* stations you would like to hear.

*Subscription or included SiriusXM Satellite Radio trial required.
MEDIA

Press the VR button 🎧. After the beep, say one of the following commands and follow the prompts to switch your media source or choose an artist.

- Change source to Bluetooth®
- Change source to iPod®
- Change source to USB

Play artist Beethoven; Play album Greatest Hits;
Play song Moonlight Sonata; Play genre Classical

TIP

Press the Browse button on the touchscreen to see all of the music on your iPod or USB device. Your Voice Command must match exactly how the artist, album, song and genre information is displayed.

Uconnect® offers connections via USB, SD, Bluetooth® and auxiliary ports. Voice operation is only available for connected USB and iPod® devices.*

*Remote CD player optional and not available on all vehicles.
CLIMATE

Press the VR button 🎤. After the beep, say one of the following commands...

Set driver temperature to 70 degrees
Set passenger temperature to 70 degrees
Set both temperatures to 70 degrees

TIP

Voice Command for Climate may only be used to adjust the interior temperature of your vehicle. Voice Command will not work to adjust the heated seats or steering wheel.*

*If equipped.

Too hot? Too cold? Adjust vehicle temperatures hands-free and keep everyone comfortable while you keep moving ahead.*

*If vehicle is equipped with climate control.
Making and answering hands-free phone calls is easy with Uconnect®. When the Phonebook button is illuminated on your touchscreen, your system is ready. Check UconnectPhone.com for mobile phone compatibility and pairing instructions.

**VoIP**

When providing a Voice Command, press the Phone button and say “Call,” then pronounce the name **exactly** as it appears in your phone book. When a contact has multiple phone numbers, you can say “**Call John Smith work.**”
**VOICE TEXT-reply**

1. Once an incoming text message is read to you, press the Phone button 📞. After the beep, say...

   **Reply**

2. Listen to the Uconnect® prompts. After the beep, repeat one of the pre-defined messages and follow the system prompts.

**TIP**

Your mobile phone must have the full implementation of the Message Access Profile (MAP) to take advantage of this feature. For details about MAP, visit UconnectPhone.com. Apple iPhone® iOS6 or later supports reading incoming text messages only.

**Uconnect® will announce incoming text messages.**

Press the Phone button 📞 and say Listen.*

*Must have compatible phone paired to Uconnect system.

**PRE-DEFINED VOICE TEXT REPLY RESPONSES**

- Yes.
- No.
- Okay.
- Call me.
- I’ll call you later.
- I’m on my way.
- I’m lost.
- Stuck in Traffic.
- Start without me.
- Where are you?
- Are you there yet?
- I need directions.
- I can’t talk right now.
- See you later.
- I’ll be Late.
- I will be <number> minutes late.
- See you in <number> minutes.
- Thanks.
NAVIGATION

1. To enter a destination, press the VR button ⍪. After the beep, say...

   **8.4A UCONNECT® SYSTEM**
   - Enter state
   **8.4AN UCONNECT SYSTEM**
   - Navigate to 800 Chrysler Drive Auburn Hills, Michigan

2. Then follow the system prompts

   **TIP**
   To start a POI search, press the VR button ⍪. After the beep, say “Find nearest coffee shop.”

The Uconnect® navigation feature helps you save time and become more productive when you know exactly how to get to where you want to go.*

*Navigation is optional on the Uconnect 8.4A system. See your dealer to activate navigation at any time.
Need to find a gas station, view local movie listings, check a sports score or the 5-day weather forecast? SiriusXM Travel Link™ is a suite of services that brings a wealth of information right to your Uconnect® 8.4AN system.*

*Not available for 8.4A system.

Press the VR button 🎤. After the beep, say one of the following commands...

- Show fuel prices
- Show 5-day weather forecast
- Show extended weather

TIP
Traffic alerts are not accessible with Voice Command.
An included trial and/or subscription is required to take advantage of the Uconnect Access services in the next section of this guide. To register with Uconnect Access, press the Apps button on the 8.4-inch touchscreen to get started. Detailed registration instructions can be found on the next page.

*Uconnect Access is available only on equipped vehicles purchased within the continental United States and Alaska. Services can only be used where coverage is available; see coverage map for details.

**If vehicle is equipped.
***Extra charges apply.
REGISTER

1. Press the Apps button on the bottom of the 8.4-inch touchscreen.
2. If a pop-up message appears, press Register or go to the Favorite Apps menu and press Uconnect® Registration.
3. Read through the registration instructions. Enter and confirm your personal email address. Then press Send.
4. Check your personal inbox for an email from Uconnect Access.
5. Click on the link inside the email within 72 hours and complete the easy online registration process to create a personal Mopar® Owner Connect account linked to your vehicle.
MOBILE APP

Download the Uconnect® Access App to compatible Apple® or Android® mobile devices. All you need to do is:

1. After registering with Uconnect Access, log on to your Mopar® Owner Connect account at MoparOwnerConnect.com
2. On the Dashboard page, enter your mobile phone number to receive a link to download the App on your mobile device. Or, go to iTunes® or Google Play and search for the Uconnect Access App.
3. To activate the App, enter your Mopar Owner Connect user name and password and log in. Your vehicle is then connected to your mobile device.

Securely link your mobile device to your vehicle with the Uconnect® Access App. Once you have downloaded the App, you may start your vehicle or lock it from virtually any distance.*

*Vehicle must be properly equipped with factory-installed Remote Start.
**VOICE TEXTING**

To send a message, press the Phone button. After the beep, say the following command...

**Send message to John Smith**

Listen to the prompt. After the beep, dictate the message you would like to send. Wait for Uconnect® to process your message. Once Uconnect reads your message back to you, follow the system prompts.

---

**TIPS**

Messages are limited to 140 characters.

The Messaging button on the touchscreen must be illuminated to use the feature.

The Uconnect system will repeat your message and provide a variety of options to add to, delete, send or hear the message again. After the beep, tell Uconnect what you’d like to do. For instance, if you’re happy with your message, after the beep, say “Send.”

You must be registered with Uconnect® Access and have a compatible MAP-enabled smartphone to use your voice to send a personalized text message.*

*Not compatible with iPhone®
1. Press the VR button ⚫️. After the beep, say...

   **Launch Yelp**

2. Once the Yelp home screen appears on the touchscreen, press the VR button ⚫️️, then say...

   **Yelp search**

3. Listen to the system prompts and after the beep, tell Uconnect® the place or business that you'd like Uconnect to find.

   **TIP**

   Once you perform a search, you can reorganize the results by selecting either the Best Match, Rating or Distance tab on the top of the touchscreen display.

   Once registered with Uconnect® Access, you can use your voice to search for the most popular places or things around you.
